FOREWORD

The annual staff proudly presents its first publication of the ELBALA. In this annual are portrayed scenes from every phase of our school life-social, athletic, and educational. We have striven to present to you the spirit inspiring us to live worthwhile lives and to be true to our Alma Mater. In the years to come as you read this annual, we hope it will be a source of joy and pleasure to you and that it will help you to live over your happy days at Elba High School.

We wish to express our appreciation to all who have aided us in our first publication of the ELBALA. We thank all those who have so gratefully and generously contributed their advertisements.
